L'efficacia nelle erbe

La Natura per le Pelli più Delicate

SOLE BIMBI

TESTATO IN CLINICA DERMATOLOGICA

Efficiently protects your children's delicate skin from sunburn in the most natural way.

SUN CARE CREAM

VERY HIGH PROTECTION
SPF 50+

Aloe Vera juice, Marigold flowers
sweet Almonds oil
Vitamin E

Efficiently protects your children's delicate skin from sunburn in the most natural way.

Enriched by extracts of Marigold, Aloe Vera juice, sweet Almond oil and Vitamin E, it is particularly recommended for light and sensitive skin. It helps prevent cases of skin intolerance, irritation and redness.

It has a creamy consistency and thanks to the balanced combination of sun filters, it guarantees high protection from UVA and UVB rays, reducing the intensity of the sun's radiation and helping the skin's gradual adaptation to the sun.

Specifically formulated for children, it is water resistant.

How to use it:

Apply this product a few minutes before exposure to the sun, distributing it evenly on dry skin, avoiding the periorcular areas but without neglecting your ears, chin and neck.

Repeat the application especially when taking frequent swims.

AFTERSUN MILK REFRESHING AND SOOTHING

*Aloe Vera juice, Camomile and Marigold flowers
Jojoba and Olive oils
Vitamin E*

This soft, light and velvety milk leaves children's skin with a pleasant feeling of freshness.

Extracts taken from Aloe Vera juice, Camomile and Marigold flowers, rich in mucilage, Jojoba and Olive oils and Vitamin E have a hydrating and calming action, particularly pleasant after exposure to the sun.

How to use it:

Apply evenly by gently massaging on dry and clean skin after sun exposure.

Non greasy, it does not stain and is absorbed quickly.
